Dear Parents,

This week has been a great week in school. The children and staff have all enjoyed getting active for health week. Throughout the week, we have witnessed some amazing achievements in school from learning to ride a bike to learning to skip. Miss Rickerby even demonstrated her skipping skills in one of the sessions - though she nearly lost her trousers in the process! Don't worry though - she stayed covered.

During sports days, the children took part in a wealth of different activities and it was lovely to see the children taking part and cheering each other on in their classes. Throughout the week, staff have also witnessed children providing support and encouragement as they took on the daily mile. Some children even chose to take on extra laps of the field to help their peers to finish the distance. What a kind and caring group of children we have at Britannia!

Unfortunately, as you know the weather today has not been bright enough to let us end the week with our Race for Live event and we will be re-scheduling this for a day next week when hopefully the sun will shine again. This will be a great event for the children to take part and we will inform you of the date next week as the children will need to ensure they are dressed in their PE kits on this day.

Thank you for supporting us with the sponsored events and don't forget we will be extending the date for collection of sponsorship/donations for cancer research up until the end of the academic year.

Our assembly theme today has been about giving and the children have had the opportunity to consider how they give to each other and the community through their actions. It was a fantastic opportunity to hear about the charities that the children support at home and we wish Evelyn good luck tomorrow as she has a special haircut to raise money for Princesses Trust. I cannot wait to hear all about it next week and well done for supporting such a worthwhile cause. We are very proud of you!

As always, if there is anything I can do to support, please do not hesitate to get in touch. Have a lovely weekend.

Kind Regards,

Mrs Longstaff
