Statement of intent

Britannia CP School is a vibrant, enthusiastic, forward-thinking and safe learning environment in which pupils are given every opportunity to complete a fulfilling education.

We believe that homework plays an important part in education and the benefit of doing homework must be instilled at an early age so that independent study can be achieved.

We are also aware that pupils have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to ensuring homework is well-balanced across the school.

This policy aims to:

- Develop a consistent approach to homework throughout the school.
- Make sure that teaching staff, parents and pupils are aware of their responsibilities with regards to homework.
- Ensure that parents understand what is expected of their child.
- Encourage pupils to develop the responsibility and self-discipline required for independent study.
- Embed knowledge and support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning, and to keep them informed about the work their child is undertaking.
- Use homework as a tool for raising standards of attainment.
- Extend learning beyond the classroom.
- Give pupils further practise and a deeper understanding of skills, knowledge and concepts learned during the school day.

3. The school's approach to homework

The school understands that setting, marking and providing feedback on homework is a large contributor to the workload of teachers; therefore, teachers will ensure that homework is only set to positively impact pupils' progress.

Prior to homework being set, teachers will ask themselves, 'Why am I setting this homework?' and 'How will this homework be useful to the pupil?' If the answers to these questions do not reflect a positive impact on pupils' learning, teachers will use their professional judgement and decide whether the homework is necessary.

Homework may be uploaded to an online platform/webpage where pupils and parents can view homework tasks, reducing printing costs and the number of lost homework sheets.

Teachers will explain the school's approach to homework to parents at the welcome evening in September.

Every year, each year group will be informed of what is expected of them with regards to homework.

Pupils will use homework books to complete their homework or will be issued with a homework folder to keep their homework neat and organised.

Pupils will receive homework on a weekly basis which will be returned at the time and date as specified by the class teacher.

Pupils' weekly homework activity will be designed to take around 45 minutes – 2 hours, depending on the age of the pupil.

Homework will be checked every week in class and children may self-mark.

Parents are encouraged to discuss any errors with their child. If they have any queries, they should contact their child's teacher. Feedback from parents about their child's homework will also be welcomed by the school.

The amount of homework set for pupils will increase as they progress through their education.

Teachers will occasionally set extra homework for the whole class if they deem it beneficial and there may be additional project work.

The table below shows expected homework. Tasks may be set in addition to the below activities if consolidation is required.

4. Absences

If a pupil is absent from school due to illness, holidays or medical reasons, the school will not supply work for these periods.

There may be exceptions to the above and the classroom teacher will decide whether homework should be set on a case-by-case basis.

If a pupil is absent for a long period of time, the teacher and the parents of the pupil will agree on what should be done and how much help should be provided.

Absences when homework is set and due will be managed in line with the school's Attendance and Absence Policy.

5. Pupils who fail to complete homework

All pupils will be expected to complete homework on time.

Teachers will keep records of pupils completing homework which are regularly reviewed.

If pupils fail to complete homework, teachers will contact parents to find what the reason for this is. They may be required to complete this during a break time with support in KS2. .

Teachers will make efforts to support pupils who are struggling to complete homework and will raise any concerns regarding their pupils' ability to complete homework to the headteacher and/or parents as appropriate.

Pupils who refuse to complete homework will be disciplined in line with the Behaviour Policy.

Homework may also be marked orally with the pupil or class.

7. Pupils with SEND

A balanced approach to homework will be adopted for pupils with SEND, in consultation with the pupil's parents and the SENCO.

Where appropriate, the school will set adjusted or specific tasks for pupils with SEND as outlined in their individual education plans.

While pupils with SEND may benefit from differentiated tasks separate from the homework received by other pupils, they will also complete as much standard homework as possible.

Pupils with SEND will be supported in accordance with the school's SEND Policy.

8. Equal opportunities

The school will ensure that it provides the full range of opportunities for all pupils, regardless of gender, sex, disability, sexual orientation, ethnicity and social, cultural or religious background.

All pupils will have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.

9. Monitoring and review

This policy is reviewed **annually** by the headteacher.

Any updates to this policy will be shared with parents, pupils and staff.

The scheduled review date for this policy is September 2027.
