PARENTS' CONFERENCING

Tips for a successful parents' conferencing:

1. The day before check you can access the system through your received email or login.
2. Be ready and online 5-10 minutes prior to your appointment.
3. Ensure that you are in a quiet location inside with no background noise so that you are able to hear.
4. Make sure your internet connection is strong and that you have tested this prior to the meeting.
5. Have any questions ready for the teachers.
6. Make sure you click to join at your allocated time.

Please note that the time will cut off at the end - this is the way the system works in order to keep to the allocated times. We do understand that some people are disappointed that the appointments are not face to face and many of you would like to be able to view your child/children's books so we will be creating an opportunity for you to do this in each class in the summer term.

INTERIM REPORT CARD

Your child will have brought home an interim report card this evening. Please do not panic if your child has received a C and is currently working below age related expectations. We must remember the disruption that the children have had over the past few years (including this year's COVID disruption) and that it will take some children time to catch up on lost learning. The children and staff have all been working extremely hard in school and will continue to do so that every child is able to meet their full potential.

BOOK MARK SALE FOR UKRAINE CHARITY

Two of our Year 3 children have decided to raise some funds for charities by selling bookmarks that children will be able to use in school. These bookmarks will be sold at a cost of 50p and the proceeds will go wards RSPCA and Ukraine. The bookmarks will be available from next week in school.

Clubs Next Week

Monday – Mad Science 3.25-4.25pm
