Dear Parents/Guardians

What a beautiful end to the week it has been – the sun is shining once again! Hopefully this will continue over the Bank Holiday weekend.

Thank you to all those parents who attended our Centurytech webinar this week. We hope that you found it useful and informative. If you were unable to attend, please do not worry and keep an eye out on our website for the recordings.

We would like to announce that Mrs Isherwood has been successful in her appointment as Deputy Head at St John's Stonefold CE Primary, Accrington.

We are sure that you will join us in congratulating her on her appointment. She will be leaving us at the end of the academic year to take up her new position in September.

Please remember that school is closed on Monday next week for May Day and on Thursday 5th May as school is being used as a Polling Station in the Local Elections.

Wishing everyone a lovely long weekend.

Mrs Longstaff

TAKEHOME

Should pets be protected more than other animals?

In the news this week

Access to a new scheme offering free pet healthcare across 38 European countries, is now available to Ukrainian refugees, who have left the country with their pets to avoid the conflict. Refugees will be able to have treatment costs covered for up to five dogs, cats, horses or other animals as a result of the effort by Humane Society International (HSI). The project, called, Vets for Ukrainian Pets, will provide up to £209 per pet for care and medication.

Things to talk about at home ...

- > Do you have any pets at home? Share your experience of keeping animals at home.
- > Can you think of any examples of animals that people own that aren't pets? E.g., farm animals.
- > Do you think the project, Vets for Ukrainian Pets is a good idea? Share your thoughts on the project. Do you think any more can be done to help the pets of the refugees?
