FOOTBALL NEWS

Our Year 3/Y4 and Year 5/Y6 Football Teams have both taken part in matches recently.

The Year 3 and Year 4 Team played away at Water Primary School and played very well, before unfortunately losing the match.

The Year 5 and Year 6 Team played away at St John with St Michael Primary School and lost a very tight match (3-2) in extra time.

For all the players, it was the first time they had played together as a team and also the first children to represent the school at football since the pandemic. They can all be very proud of themselves and they represented the school magnificently. We are hoping to get another couple of matches in before the Summer break.

TAKEHOME

Does sport have a part to play in making the world a fairer place?

In the news this week

FIFA (International Federation of Association Football) has announced three female referees will officiate at the men's World Cup tournament for the first time ever later this year in Qatar. Stephanie Frappart of France, Rwanda's Salima Mukansanga and Yoshimi Yamashita from Japan have been selected as part of FIFA's official list of 36 referees for the tournament, which starts on 21st November.

Things to talk about at home ...

- > Have you ever played or watched a football game? How important do you think the role of the referee is?
- > What skills do you think a good referee needs to have?
- > Were you surprised to hear that this is the first men's World Cup to have female referees?
