A LITTLE MESSAGE FROM US AT BRITANNIA

SCHOOL NEWS

MESSAGE FROM MRS LONGSTAFF

This half term has been a challenge for all of us and I would just like to say a huge thank you for all your kind words, support and patience. I feel confident that as we move further into the Autumn term, the community at Britannia will continue to work together in order to overcome any challenges that we may come up against. I am incredibly proud of the school community and the children and all we have achieved together. The children have all settled in to school well and it is lovely to see them thriving back in the school environment again with their friends and their teachers. They have worked extremely hard and I hope that you all have a good rest during half term. You deserve it!

Year 5 and 6 ISOLATION END DATE

The official date for the end of isolation is the **26th October** and we look forward to welcoming the children back to school after the half term break on the **2nd November**. Please remember to continue to monitor your children closely and that if your child should start to display symptoms, get a test and notify school via email to head@britannia.lancs.sch.uk. A special thank you to all Year 5 and 6 parents and families for working with us in supporting your children during this period of isolation. We have all developed new skills together and your support with this has been invaluable.

What shall I do if my child has a test and tests positive during half term?

Please notify the school on head@Britannia.lancs.sch.uk and further advice will be given to your family and any other families who require contacting will be notified by the school.

PARENT CONFERCING

Details of Parent Conferencing will be sent out after half term on School Spider and will take place via telephone. Please ensure that school has up to date telephone contact details.

SECONDARY SCHOOL APPLICATIONS

The closing date for Secondary School Admissions for our Year 6 children is **Saturday 31st October**. Please apply online at www.lancashire.gov.uk/schools.

COVID INFORMATION ON THE WEBPAGE

Recent letters and guidance can be found on the school website. If your child needs to isolate or is waiting for a results of a test, they should complete the work set for the correct year group on the Home Learning for 2020-2021 tab on the webpage.

This work mirrors the work going on in school so will support your child in keeping up in class when they return. We have also put a link on the Virtual Days Out to support those boring days in!
